

CITY OF ALBUQUERQUE

Office of the Mayor/ Chief Administrative Officer

July 16, 2014

To Whom It May Concern,

The City of Albuquerque is happy to welcome the first annual “Peoples Festival, Matanza, Chile & Salsa Competition” that will be held November 8th & 9th at Balloon Fiesta Park. This unique multicultural event will feature a taste of New Mexico’s exceptional cuisine, booths showcasing numerous local artisans, live entertainment, a food drive and programs to help & honor our military/veterans and their families, and much, much more. Proceeds from this event will go to wonderful local charities.

I encourage everyone to participate and help make this event a great success for our community. I also invite all New Mexico residents to attend and support this fun, family-oriented festival, as there will be fun and food for all ages!

Events like the Peoples Festival showcase New Mexico’s multicultural cuisine and artisans, but more importantly they promote the Land of Enchantment’s diverse culture. Come see the great things New Mexico has to offer, and visit the beautiful City of Albuquerque November 8th & 9th 2014 at Balloon Fiesta Park!

PO Box 1293

Best regards,

Albuquerque
